## **6. Why should you participate in competitions?**

*It will help the child to gain confidence, discipline, exposure, and improve in time management skills. We do want our students to succeed both academically and artistically hence they will have to learn to manage their time to succeed in both. Furthermore, these competitions will look good for their college application in the future. The students will also have many opportunities to be exposed to the art world and understand the importance of art for their future growth and development.*

## **7. What benefit students can get from us.**

- *We help students who dance in our studio to request P.E. Waivers.*
- *We have many connections with universities, art schools, and big arts organizations internationally such as UC, Irvine, OCSA, Pacific Symphony, Beijing Dance Academy, Bowers Museum just to name a few.*
- *We help students who dance in our studio to complete their community service hours.*
- *We provide scholarships for outstanding students every year.*
- *We host multiple masterclasses throughout the year.*
